

# CLI Example Document

---

This is an example document to test the Mermaid Converter CLI.

## Simple Process Flow

---

## Usage

---

Convert this file with:

```
mermaid-convert convert example.md -t report
```

## Features Tested

---

- ☒ Basic markdown parsing
- ☒ Mermaid diagram rendering

-  Professional PDF output
-  Command-line interface

The CLI tool successfully processes this content and generates a high-quality PDF with the embedded diagram.
